

My Size to Launch MySizeID in the Australian Market with a Global Retail Marketplace Operator

Airport City, Israel, October 16, 2019 – [My Size, Inc.](#) (the "Company" or "My Size") (NASDAQ: MYSZ) (TASE: MYSZ), the developer and creator of smartphone measurement solutions, today announced that it plans to launch MySizeID for the first time in Australia with a global retail marketplace operator. The global retail marketplace operator is set to launch its new website in the coming weeks. Early next year they plan to have multiple brands and products being MySizeID enabled.

“We look forward to launching MySizeID for the first time in Australia with a new global retail marketplace operator that is set to launch a technology-based app for the custom apparel and merchandise industry,” said Ronen Luzon, Chief Executive Officer of My Size. “Traditional ‘sizing’ methods within the outfitting and ordering process are limited to size charts and physical sample garments, which ultimately cause issues with accuracy, accessibility and increased overhead costs. We continue to seek out burgeoning industries and market opportunities to penetrate with our innovative and smart measurement technology. By partnering with this global retail marketplace operator, we look forward to providing apparel brands, manufacturers, vendors and consumers across Australia with a turn-key measurement solution.”
