**INFORMATION ABOUT THE ANNUAL MEETING AND VOTING**

***Why am I receiving these materials?***

The Company has delivered printed versions of these materials to you by mail, in connection with the Company’s solicitation of proxies for use at the Annual Meeting. These materials describe the proposals on which the Company would like you to vote and also give you information on these proposals so that you can make an informed decision.

***What is included in these materials?***

These materials include:

- this Proxy Statement for the Annual Meeting;
- the Proxy Card or vote instruction form for the Annual Meeting; and
- the Company’s Annual Report on Form 10-K for the year ended December 31, 2019.

***What is the Proxy Card?***

The Proxy Card enables you to appoint Ronen Luzon, our Chief Executive Officer, and Or Kles, our Chief Financial Officer, as your representative at the Annual Meeting. By completing and returning a Proxy Card, you are authorizing each of Mr. Luzon and Mr. Kles, to vote your shares at the Annual Meeting in accordance with your instructions on the Proxy Card. This way, your shares will be voted whether or not you attend the Annual Meeting.

***What is the purpose of the Annual Meeting?***

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including (i) election of four directors to serve on the Company's board of directors until the 2021 annual meeting of stockholders or until their successors are elected and qualified; (ii) approval of an amendment to the 2017 Plan to increase the reservation of common stock for issuance thereunder to 1,450,000 shares from 200,000 shares; (iii) the approval, on an advisory basis, of the company's executive compensation; and (iv) ratification of the appointment of Somekh Chaikin as our independent public accountant for the fiscal year ending December 31, 2020.

***What constitutes a quorum?***

The presence at the meeting, in person or by proxy, of the holders of one third of the number of shares of common stock issued and outstanding on the Record Date will constitute a quorum permitting the meeting to conduct its business. As of the Record Date, there were 7,146,155 shares of the Company's common stock issued and outstanding, each share entitled to one vote at the meeting. Thus, the presence of the holders of 2,382,052 shares of common stock will be required to establish a quorum. Abstentions, withhold votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

***What is the difference between a stockholder of record and a beneficial owner of shares held in street name?***

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

***Stockholder of Record***

If on June 12, 2020, your shares were registered directly in your name with our transfer agent, VStock Transfer, LLC, you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the Proxy Card to us. Whether or not you plan to attend the Annual Meeting, please complete, date, sign and return a Proxy Card to ensure that your vote is counted.

***Beneficial Owner of Shares Held in Street Name (non-Israeli brokerage firm, bank, broker-dealer, or other nominee holders)***

If on the Record Date, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting and Proxy Statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

***How do I vote?***

*Stockholders of Record.* If you are a stockholder of record, you may vote by any of the following methods:

- *By Internet.* You may submit your proxy from any location in the world by following the internet voting instructions on the proxy card accompanying the proxy statement;

- *By Email.* You may submit your proxy by email by following the voting instructions on the proxy card accompanying the proxy statement;
- *By Mail.* You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided; or
- *In Person.* You may attend and vote at the Annual Meeting. The Company will give you a ballot when you arrive.

*Beneficial Owners of Shares Held in Street Name.* If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning an instruction card, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

***How are votes counted?***

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the election of directors, “For,” “Withhold” and broker non-votes and, with respect to the other proposals, votes “For” and “Against,” abstentions and broker non-votes.

***What is a broker non-vote?***

If your shares are held in street name, you must instruct the organization who holds your shares how to vote your shares. If you sign your proxy card but do not provide instructions on how your broker should vote on “routine” proposals, your broker will vote your shares as recommended by the board of directors. If a stockholder does not give timely customer direction to its broker or nominee with respect to a “non-routine” matter, the shares represented thereby (“broker non-votes”) cannot be voted by the broker or nominee, but will be counted in determining whether there is a quorum. Of the proposals described in this Proxy Statement, Proposals 1, 2, and 3 are considered “non-routine” matters. Proposal 4 is considered a “routine” matter.

***What is an abstention?***

An abstention is a stockholder’s affirmative choice to decline to vote on a proposal. Under Delaware law, abstentions are counted as shares present and entitled to vote at the Annual Meeting.

***What happens if I do not give specific voting instructions?***

*Stockholders of Record.* If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the board of directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

*Beneficial Owners of Shares Held in Street Name.* If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, but cannot vote on non-routine matters.

***What is the required vote for each proposal?***

***Proposal 1:*** The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. “Plurality” means that the nominees who receive the largest number of votes cast “for” are elected as directors. As a result, any shares not voted “for” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. The proxies cannot be voted for a greater number of persons than four.

**Proposal 2:** The affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon will be required for approval of Proposal 2. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote “against” the proposal. Broker non-votes will have no effect on this proposal because they are not “entitled to vote” on the matter.

**Proposal 3:** The affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon will be required for approval of Proposal 3. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote “against” the proposal. Broker non-votes will have no effect on this proposal because they are not “entitled to vote” on the matter. The vote on executive compensation is advisory, and therefore not binding; however, our compensation committee will consider the outcome of the vote when considering future executive compensation arrangements.

**Proposal 4:** The affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon will be required for approval of Proposal 4. Stockholder ratification of the selection of Somekh Chaikin as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2020 is not required by our Bylaws or other applicable legal requirement; however, our board is submitting the selection of Somekh Chaikin to stockholders for ratification as a matter of good corporate practice. In the event that the stockholders do not approve the selection of Somekh Chaikin, the audit committee will reconsider the appointment of the independent registered accounting firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered accounting firm at any time during the year if the audit committee believes that such a change would be in the best interests of the Company and its stockholders. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote “against” the proposal. Because this proposal is considered a “routine” matter under applicable stock exchange rules, we do not expect to receive any broker non-votes on this proposal.

#### ***What are the board’s recommendations?***

The board’s recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the board recommends a vote:

- “FOR” the election of all four board nominees as directors;
- “FOR” an amendment to the 2017 Plan to increase the reservation of common stock for issuance thereunder to 1,450,000 shares from 200,000 shares;
- “FOR” approval, on an advisory basis, of the company’s executive compensation; and
- “FOR” ratification of the appointment of Somekh Chaikin as our independent public accountant for the fiscal year ending December 31, 2020.

With respect to any other matter that properly comes before the meeting, the proxy holder will vote as recommended by the board of directors or, if no recommendation is given, in his own discretion.

#### ***Dissenters’ Right of Appraisal***

Holders of shares of our common stock do not have appraisal rights under Delaware law or under the governing documents of the Company in connection with this solicitation.

#### ***How are Proxy materials delivered to households?***

## Compensation Committee

Our compensation committee consists of Oron Branitzky, Oren Elmaliah and Arik Kaufman. Mr. Branitzky serves as chairman of the compensation committee.

The compensation committee's roles and responsibilities include making recommendations to the board of directors regarding the compensation for our executives, the role and performance of our executive officers, and appropriate compensation levels for our CEO, which are determined without the CEO present, and other executives. Our compensation committee also administers our 2017 Equity Incentive Plan and our 2017 Consultant Equity Incentive Plan. The compensation committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for the compensation committee's composition and meetings. The compensation committee charter is available on our website [www.mysizeid.com](http://www.mysizeid.com).

Our compensation committee is responsible for the executive compensation programs for our executive officers and reports to our board of directors on its discussions, decisions and other actions. Our compensation committee reviews and approves corporate goals and objectives relating to the compensation of our Chief Executive Officer, evaluates the performance of our Chief Executive Officer in light of those goals and objectives and determines and approves the compensation of our Chief Executive Officer based on such evaluation. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the compensation committee regarding his compensation or individual performance objectives. Our compensation committee has the sole authority to determine our Chief Executive Officer's compensation. In addition, our compensation committee, in consultation with our Chief Executive Officer, reviews and approves all compensation for other officers, including the directors. Our Chief Executive Officer and Chief Financial Officer also make compensation recommendations for our other executive officers and initially propose the performance objectives to the compensation committee.

The compensation committee is authorized to retain the services of one or more executive compensation and benefits consultants or other outside experts or advisors as it sees fit, in connection with the establishment of our compensation programs and related policies.

Our board of directors has determined that all of the members of the compensation committee are "independent" as that term is defined by the rules of the Nasdaq Stock Market.

The compensation committee met on 3 occasions during the fiscal year ended December 31, 2019. Each of the members of the compensation committee attended at least 75% of the meetings held by the compensation committee during the time such directors served as a member of the committee.

## Nominating and Governance Committee

The members of the nominating and corporate governance committee are Oron Branitzky, Oren Elmaliah and Arik Kaufman. Mr. Kaufman serves as chairman of the corporate governance and nominations committee. The nominating and corporate governance committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for the nominating and corporate governance committee's composition and meetings. The nominating and corporate governance committee charter is available on our website [www.mysizeid.com](http://www.mysizeid.com).

The nominating and corporate governance committee develops, recommends and oversees implementation of corporate governance principles for us and considers recommendations for director nominees. The nominating and corporate governance committee also considers stockholder recommendations for director nominees that are properly received in accordance with applicable rules and regulations of the SEC. Our stockholders that wish to nominate a director for election to the board of directors should follow the procedures set forth in our bylaws. See "When are Stockholder Proposals Due for the 2021 Annual Meeting?"

The nominating and corporate governance committee will consider persons identified by its members, management, stockholders, investment bankers and others. The guidelines for selecting nominees, which are specified in the nominating committee charter, generally provide that persons to be nominated:

- should be accomplished in his or her field and have a reputation, both personal and professional, that is consistent with our image and reputation;

- should have relevant experience and expertise and would be able to provide insights and practical wisdom based upon that experience and expertise; and
- should be of high moral and ethical character and would be willing to apply sound, objective and independent business judgment, and to assume broad fiduciary responsibility.

The nominating and corporate governance committee will consider a number of qualifications relating to management and leadership experience, background and integrity and professionalism in evaluating a person's candidacy for membership on the board of directors. The nominating and corporate governance committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time and will also consider the overall experience and makeup of its members to obtain a broad and diverse mix of board of directors members. The nominating and corporate governance committee will not distinguish among nominees recommended by stockholders and other persons.

Our board of directors has determined that all of the members of the nominating and corporate governance committee are "independent" as that term is defined by the rules of the Nasdaq Stock Market.

The nominating and governance committee met on 1 occasion during the fiscal year ended December 31, 2019.

#### **Delinquent Section 16(a) Reports**

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely upon a review of copies of Section 16(a) reports and representations received by us from reporting persons, a Form 4 was filed late by Ilia Turchinsky.

#### **Stockholder Communications with the Board of Directors**

Historically, we have not provided a formal process related to stockholder communications with the board. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. Stockholders or other interested parties may communicate with any director by writing to them at My Size, Inc., 4 Hayarden St., POB 1026, Airport City, Israel, 7010000, Attention: Corporate Secretary.

#### **Code of Conduct and Ethics**

We have a Code of Business Conduct and Ethics that applies to all our employees. The text of the Code of Business Conduct and Ethics is publicly available on our website at [www.mysizeid.com](http://www.mysizeid.com). Information contained on, or that can be accessed through, our website does not constitute a part of this report and is not incorporated by reference herein. Disclosure regarding any amendments to, or waivers from, provisions of the code of conduct and ethics that apply to our directors, principal executive and financial officers will be posted on the "Investors-Corporate Governance" section of our website at [www.mysizeid.com](http://www.mysizeid.com) or will be included in a Current Report on Form 8-K, which we will file within four business days following the date of the amendment or waiver.

#### **Board Leadership Structure and Role in Risk Oversight**

Although we do not require separation of the offices of the Chairman of the Board and Chief Executive Officer, we historically have a different person serving in each such role – until recently, Mr. Wallis was our Chairman and Mr. Luzon is our Chief Executive Officer. The position of Chairman is currently vacant. The decision whether to combine or separate these positions depends on what our board deems to be in the long term interest of stockholders in light of prevailing circumstances. The separation of duties provides strong leadership for the board while allowing the Chief Executive Officer to be the leader of the Company, focusing on its customers, employees, and operations. Our board of directors believes the Company is well-served by this flexible leadership structure and that the combination or separation of these positions should continue to be considered on an ongoing basis.

## Anti-hedging Policy

Our insider trading policy prohibits directors, officers and other employees or contractors from engaging in short sales, transactions in put or call options, hedging transactions or other inherently speculative transactions with respect to our stock at any time.

## Director Compensation

The following table sets forth compensation information for our non-employee directors for the year ended December 31, 2019.

These amounts do not necessarily correspond to the actual value that may be realized by the non-employee directors. The assumptions made in valuing the options reported in this column are discussed in Note 10 to our financial statements for the year ended December 31, 2019.

We compensate our non-employee directors for their service as a member of our board. Mr. Luzon receives no separate compensation for board service. Mr. Luzon's compensation is set forth below in the Summary Compensation Table.

Each non-employee director is entitled to receive a per meeting fee of \$286. Non-employee directors are also reimbursed for their travel and reasonable out-of-pocket expenses incurred in connection with attending board and committee meetings, to the extent that attendance is required by the board or the committee(s) on which that director serves.

### RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 1:

**THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FOUR NOMINEES NAMED ABOVE, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.**

### PROPOSAL NO. 2

#### APPROVAL OF AN AMENDMENT TO THE MY SIZE, INC. 2017 EQUITY INCENTIVE PLAN TO INCREASE THE RESERVATION OF COMMON STOCK FOR ISSUANCE THEREUNDER TO 1,450,000 SHARES FROM 200,000 SHARES

Our 2017 Plan was approved by our board of directors and by our stockholders and went into effect as of March 21, 2017. On July 3, 2018, our stockholders voted to increase the reservation of common stock for issuance under our 2017 Plan to 200,000 shares from 133,334 shares.

On May 31, 2020, our compensation committee resolved to increase the number of shares available for issuance under the 2017 Plan by 1,250,000 to 1,450,000 shares from 200,000 shares, subject to stockholder approval of the amendment to the 2017 Plan and to decrease the numbers of shares available for issuance under the 2017 Consultant Incentive Plan by 250,000 to 216,667 shares from 466,667 shares, subject to stockholder approval of the amendment to the 2017 Plan.

Our board of directors deems it advisable and in the best interest of the Company to increase the number of shares available for issuance under the 2017 Plan by 1,250,000 to 1,450,000 shares from 200,000 shares to attract and retain key personnel and to provide a means for directors, officers, managers and employees to acquire and maintain an interest in the Company, which interest may be measured by reference to the value of its common stock.

### **Reasons for the Proposed Plan Amendment**

The purpose of this increase is to continue to be able to attract and retain key personnel and to provide a means for directors, officers, managers and employees to acquire and maintain an interest in the Company, and the additional shares of common stock to be reserved for issuance under the 2017 Plan will enable us to continue to grant equity awards to our current and future directors, officers, managers and employees at levels determined by our board of directors that the board deems are necessary to attract and motivate such individuals who are or will be critical to our success in achieving our business objectives and thereby creating greater value for all our stockholders. Furthermore, we believe that equity compensation aligns the interests of our directors, officers, managers and employees with the interests of our other stockholders. Equity awards are a key component of our incentive compensation program. We believe that option grants have been critical in attracting and retaining directors, officers, managers and employees and aligning their interests with those of our stockholders. Approval of the amendment to the 2017 Plan will permit us to continue to use stock-based compensation to align directors', officers', managers' and employees' interests with those of our stockholders.

### **Description of Our 2017 Plan**

Set forth below is a summary of the 2017 Plan, but this summary is qualified in its entirety by reference to the full text of the 2017 Plan, a copy of which is attached to this proxy statement as Appendix A and is incorporated herein by reference. Please see Appendix A for more detailed information.

#### ***Shares Available***

The 2017 Plan currently authorizes the issuance of 200,000 shares of common stock. As of the Record Date, awards covering an aggregate of 143,682 shares were issued and outstanding of an aggregate of 143,682 shares granted under the 2017 Plan and 56,318 shares were available for future awards under the 2017 Plan.

If an award is forfeited, canceled, or if any option terminates, expires or lapses without being exercised, the common stock subject to such award will again be made available for future grant. However, shares that are used to pay the exercise price of an option or that are withheld to satisfy the participant's tax withholding obligation will not be available for re-grant under the 2017 Plan.

If there is any change in the Company's corporate capitalization or structure, the 2017 Plan Committee (as defined below) in its sole discretion may make substitutions or adjustments to the number of shares of common stock reserved for issuance under the 2017 Plan, the number of shares covered by awards then outstanding under the 2017 Plan, the limitations on awards under the 2017 Plan, the exercise price of outstanding options and such other equitable substitution or adjustments as it may determine appropriate.

The 2017 Plan will have a term of ten years and no further awards may be granted under the 2017 Plan after that date.

### ***Administration***

The Company's compensation committee (the "2017 Plan Committee") administers the 2017 Plan. The 2017 Plan Committee has the authority, without limitation to (i) to designate participants to receive awards, (ii) determine the types of awards to be granted to participants, (iii) determine the number of shares of common stock to be covered by awards, (iv) determine the terms and conditions of any awards granted under the 2017 Plan, (v) determine to what extent and under what circumstances awards may be settled in cash, shares of common stock, other securities, other awards or other property, or canceled, forfeited or suspended, (vi) determine whether, to what extent, and under what circumstances the delivery of cash, common stock, other securities, other awards or other property and other amounts payable with respect to an award shall be made; (vii) interpret, administer, reconcile any inconsistency in, settle any controversy regarding, correct any defect in and/or complete any omission in the 2017 Plan and any instrument or agreement relating to, or award granted under, the 2017 Plan; (viii) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the 2017 Plan Committee shall deem appropriate for the proper administration of the 2017 Plan; (ix) accelerate the vesting or exercisability of, payment for or lapse of restrictions on, awards; (x) reprice existing awards or to grant awards in connection with or in consideration of the cancellation of an outstanding award with a higher price; and (xi) make any other determination and take any other action that the 2017 Plan Committee deems necessary or desirable for the administration of the 2017 Plan. The 2017 Plan Committee has full discretion to administer and interpret the 2017 Plan and to adopt such rules, regulations and procedures as it deems necessary or advisable and to determine, among other things, the time or times at which the awards may be exercised and whether and under what circumstances an award may be exercised.

### ***Eligibility***

Employees, directors and officers of the Company or their affiliates are eligible to participate in the 2017 Plan. The 2017 Plan Committee has the sole and complete authority to determine who will be granted an award under the 2017 Plan; however, it may delegate such authority to one or more officers of the Company under the circumstances set forth in the 2017 Plan.

### ***Awards Available for Grant***

The Committee may grant awards of non-qualified stock options, incentive stock options, stock appreciation rights ("SARs"), restricted stock awards, restricted stock units, stock bonus awards, performance compensation awards (including cash bonus awards) or any combination of the foregoing. Notwithstanding, the Committee may not grant to any one person in any one calendar year awards (i) for more than 50% of the available shares in the aggregate or (ii) payable in cash in an amount exceeding \$10,000,000 in the aggregate.

### ***U.S. Federal Income Tax Consequences***

The following is a general summary of the material U.S. federal income tax consequences of the grant and exercise and vesting of awards under the 2017 Plan and the disposition of shares acquired pursuant to the exercise of such awards. This summary is intended to reflect the current provisions of the Code and the regulations thereunder. However, this summary is not intended to be a complete statement of applicable law, nor does it address foreign, state, local and payroll tax considerations. Moreover, the U.S. federal income tax consequences to any particular participant may differ from those described herein by reason of, among other things, the particular circumstances of such participant.

Pursuant to Section 15(e) of the 2017 Plan, the 2017 Plan Committee may, in its sole discretion, amend the terms of the 2017 Plan or outstanding awards (or establish a sub-plan) with respect to such participants in order to conform such terms with the requirements of local law or to obtain more favorable tax or other treatment for such participants or the Company. The Company operates in Israel, and the applicable tax consequences for participants may be Israeli tax consequences.

### ***Options***

There are a number of requirements that must be met for a particular option to be treated as an incentive stock option. One such requirement is that common stock acquired through the exercise of an incentive stock option cannot be disposed of before the later of (i) two years from the date of grant of the option, or (ii) one year from the date of its exercise. Holders of incentive stock option will generally incur no federal income tax liability at the time of grant or upon exercise of those options. However, the spread at exercise will be an "item of tax preference," which may give rise to "alternative minimum tax" liability for the taxable year in which the exercise occurs. If the holder does not dispose of the shares before the later of two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the shares will constitute long-term capital gain or loss, as the case may be. Assuming both holding periods are satisfied, no deduction will be allowed to the Company for federal income tax purposes in connection with the grant or exercise of the incentive stock option. If, within two years following the date of grant or within one year following the date of exercise, the holder of shares acquired through the exercise of an incentive stock option disposes of those shares, the participant will generally realize taxable compensation at the time of such disposition equal to the difference between the exercise price and the lesser of the fair market value of the share on the date of exercise or the amount realized on the subsequent disposition of the shares, and that amount will generally be deductible by the Company for federal income tax purposes, subject to the possible limitations on deductibility under Sections 280G and 162(m) of the Code for compensation paid to executives designated in those Sections. Finally, if an otherwise incentive stock option becomes first exercisable in any one year for shares having an aggregate value in excess of \$100,000 (based on the date of grant value), the portion of the incentive stock option in respect of those excess shares will be treated as a non-qualified stock option for federal income tax purposes.

No income will be realized by a participant upon grant of a non-qualified stock option. Upon the exercise of a non-qualified stock option, the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying exercised shares over the option exercise price paid at the time of exercise. Such income will be subject to income tax withholdings, and the participant will be required to pay to the Company the amount of any required withholding taxes in respect to such income. The Company will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

#### ***Restricted Stock***

A participant will not be subject to tax upon the grant of an award of restricted stock unless the participant otherwise elects to be taxed at the time of grant pursuant to Section 83(b) of the Code. On the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture, the participant will recognize ordinary compensation income equal to the difference between the fair market value of the shares on that date over the amount the participant paid for such shares, if any. Such income will be subject to income tax withholdings, and the participant will be required to pay to the Company the amount of any required withholding taxes in respect to such income. If the participant made an election under Section 83(b) of the Code, the participant will recognize ordinary compensation income at the time of grant equal to the difference between the fair market value of the shares on the date of grant over the amount the participant paid for such shares, if any, and any subsequent appreciation in the value of the shares will be treated as a capital gain upon sale of the shares. Special rules apply to the receipt and disposition of restricted shares received by officers and directors who are subject to Section 16(b) of the Exchange Act. The Company will be able to deduct, at the same time as it is recognized by the participant, the amount of taxable compensation to the participant for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

#### ***Restricted Stock Units***

A participant will not be subject to tax upon the grant of a restricted stock unit award. Rather, upon the delivery of shares or cash pursuant to a restricted stock unit award, the participant will recognize ordinary compensation income equal to the fair market value of the number of shares (or the amount of cash) the participant actually receives with respect to the award. Such income will be subject to income tax withholdings, and the participant will be required to pay to the Company the amount of any required withholding taxes in respect to such income. The Company will be able to deduct the amount of taxable compensation recognized by the participant for U.S. federal income tax purposes, but the deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

#### ***SARs***

No income will be realized by a participant upon grant of a SAR. Upon the exercise of a SAR, the participant will recognize ordinary compensation income in an amount equal to the fair market value of the payment received in respect of the SAR. Such income will be subject to income tax withholdings, and the participant will be required to pay to the Company the amount of any required withholding taxes in respect to such income. The Company will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

#### ***Stock Bonus Awards***

A participant will recognize ordinary compensation income equal to the difference between the fair market value of the shares on the date the shares of common stock subject to the award are transferred to the participant over the amount the participant paid for such shares, if any, and any subsequent appreciation in the value of the shares will be treated as a capital gain upon sale of the shares. The Company will be able to deduct, at the same time as it is recognized by the participant, the amount of taxable compensation to the participant for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

## Section 162(m)

In general, Section 162(m) of the Code denies a publicly held corporation a deduction for U.S. federal income tax purposes for compensation in excess of \$1,000,000 per year per person paid to its principal executive officer and the three other officers (other than the principal executive officer and principal financial officer) whose compensation is disclosed in its proxy statement/prospectus as a result of their total compensation, subject to certain exceptions. The 2017 Plan is intended to satisfy an exception with respect to grants of options to covered employees.
